

**TOWN OF SPRINGERVILLE
WATER SYSTEM DISTRIBUTED CONTROL SYSTEM**

ADDENDUM NO. 3

FEBRUARY, 2016

The Construction Documents for the Town of Springerville Water System Distributed Control System are hereby modified in the following particulars. All other provisions of the Construction Documents remain unchanged.

1. Division 1 Bidder's Information, Section 1.1 Notice to Contractors Calling for Bids, fourth paragraph, third line, delete the words "micro RTU's at seven existing wells sites" and substitute the following words in lieu thereof "micro RTU's at eight existing wells sites."

Please acknowledge receipt of this addendum on the Bid Form.

End of Addendum No. 3
